

CFB All-District Band

The BBMS Band had two students selected to the CFB Middle School All-District Band. Middle School band students from throughout the C-FBISD meet in October to audition for the All-District Band. BBMS was fortunate to place two members in the 1999 MS All-District. Kristen Miller, a seventh grade band member and Luigi Marques, an eight grade member, were selected. Kristen plays the Oboe and Luigi plays the Euphonium. In December, these two students met with the rest of the All-District Band at RL Turner HS for rehearsals and a concert.

Region 20 All-Region Middle School Band

The BBMS had one player selected to the All-Region MS Band. Luigi Marques plays the Euphonium and was selected through area auditions to perform with the All-Region Band. Luigi had joined the BBMS Band in 1998 as a Seventh Grade Beginner. During his seventh grade year, he worked very hard. As an Eighth Grade student, Luigi was first chair in the BBMS Symphonic Band all year and capped his year with his selection to the All-Region Band.

Luigi was the first BBMS Band Member ever selected to the All-Region MS Band. Everyone at BBMS is extremely proud of his accomplishments and will be sad to see him go to high school.
