

CFB All-District Band

The C-FBISD holds an audition for middle school band members during the Fall of each school year. We use the All-Region audition music as our audition music. Those members selected through the audition present a concert the following month.

The BBMS Band had two students selected to the CFB All-District Band. Jessica Brigham and Michelle Gye were both selected to the All-District Band. They both play the flute and are in the BBMS Symphonic Band. We are extremely proud of their accomplishments while at BBMS. The All-District Band was conducted by Tony Smith, Director of Bands at North Oaks MS.

Region 20 All-Region Middle School Band

Band members from Region 20 met and auditioned for placement in one of the two bands. Some sections will have over one hundred students auditioning for placement in that section and the level of musicianship is very high. The BBMS Band had two students selected to the All-Region Middle School Band. Michelle Gye was selected on Flute and Jeffery Kim was selected on Clarinet. This is a great accomplishment for Michelle and Jeffery, as well as our Band Program. Both of these students worked very hard to be selected. We want to congratulate them as well as their private lesson teachers.
