

CFB All-District Band

The C-FBISD holds an audition for middle school band members during the Fall of each school year. We use the All-Region audition music as our audition music. Those members selected through the audition present a concert the following month.

The BBMS Band had several students audition for the CFB All-District Band. We had one student selected to the All-District Band this year, Kevin Choi. Kevin was in the 8th grade and plays the clarinet. He participated in the All-District Band Concert and had great fun. We are extremely proud of his accomplishments while at BBMS.
