# Raise Your SAT / PSAT Scores Summer 2017

**Pre-Test Dates:** April 29 or May 13 9:00 a.m.—12:00 a.m.

**Summer Dates:** June 12—June 30 Monday-Friday

9:30—12:30 or 1:30—4:30

**Classes resume in the fall for 5 Saturdays**

Sept. 9, 16, 23, 30, Oct. 7 9:00—12:00

**Tuition: \$200**

This course focuses on the content students will see on the SAT/PSAT. It is much more than just giving tests and going over the answers. Students will receive and work through an extensive notebook of math, writing, and reading study materials to be sure they are well acquainted with the content they will see on the test. They will also receive *The Official SAT Study Guide* by the College Board and will take four complete College Board practice exams.

*In order to adequately prepare for these rigorous exams, students will have homework assignments in this course. A great deal of studying is necessary to prepare for the SAT/PSAT. Our goal is to help students achieve their best scores, whether it is to assure a place in the university of choice or to score high enough to qualify for scholarship awards.*

*Because much material on the SAT/PSAT is often not taught in the regular classroom, this course presents students the best opportunity to prepare for these tests and to learn the material that is sure to be on the tests.*
