

CREEKVIEW HIGH SCHOOL

2017-2018 Ninth Grade Information Sheet

STUDENT REPORT CARDS

Average Pass = Pass a year-long course based on the average of the two semester grades being ≥ 70 . If a student failed one semester (fall or spring) of a course, he may average pass for the year if he passes the other semester of the course and the average of the two semester grades is at least 70. Note – both semesters MUST be in same school year. Example: **65** 1st semester and **75** 2nd semester will average to a **70** for the year.

Credit Earned (0.50 or 0.00) Students will be able to earn a total of 3.5 credits for each semester (7 classes/semester x 0.5 credits/class). Freshmen must earn at least 6 credits to be classified as a Sophomore (10th grade).

Absences (ABS) Students must be in attendance at least 90% of scheduled classes.
1st semester – No more than 8 absences.
2nd semester – No more than 10 absences.

Advisory Period

Advisory period is an additional class used within the school day to help students build meaningful relationships with a faculty member in an advisory role. The class will meet Wednesdays during the school year focusing on various topics that support the CFBISD goal of high achievement for all students.

TUTORIALS & REASSESSMENT

Tutorials are available to meet the busy schedules of our students. There are morning tutorial sessions starting at 7:45 and afternoon sessions at 3:45. All students are encouraged to attend tutorials. Reassessment is an expectation for each student not demonstrating mastery on a summative assessment (test, project, etc). Students are offered an opportunity to reassess by completing all formative assignments and attending reteach/tutorial sessions.

TRANSPORTATION

Bus routes may be updated and adjusted several times during the first few weeks of school as some pre-planned routes may have no riders, while others may have more than the previous year. Updated routes will be posted as soon as they are available. You may check the bus routes at www.cfbisd.edu under the Parents link. High school students are required to display their student id (badge) when boarding the school bus.

TEAMS PARENT SELF SERVE (PSS)

PSS is a convenient home-to-school collaboration tool that allows parents/guardians of CFBISD students to keep track of their children's academic progress on-line via an easy-to-use web site. Parents will be able to view general student information as well as their student's class schedule, attendance, assignments, grades, discipline and health information. Register online at www.cfbisd.edu/Parents/ParentSelfServe. If you have any technical questions, contact the Help Desk at 972-968-4357.
